REJECTIONS UNDER 35 U.S.C. 102(e)

Regarding claim 1, Taylor does not disclose determining "whether a cache entry contains disposable information by comparing a disposable information cache entry address with a range of addresses that define a disposable information address space" as claimed in claim 1. Therefore, claim 1 is not anticipated by Taylor.

Similarly, regarding claim 11, Taylor does not disclose determining "whether a cache entry contains disposable information by comparing a disposable information cache entry address with a range of addresses that define a disposable information address space" as claimed in claim 11. Therefore, claim 11 is not anticipated by Taylor.

Further, regarding claim 23, Taylor does not disclose "determining whether the line of information is disposable by comparing the address of the line of information with a range of addresses that defines a disposable information address space" as claimed in claim 23. Therefore, claim 23 is not anticipated by Taylor.

Also, regarding claim 27, Taylor does not disclose a "processor interface unit to receive a disposable information attribute indication from the processor when the
